

In Shearman's Valley, saw two Indians making a Blud on the Road with Bullets, in order to lie behind it; that one of them seeing our People, got behind a Tree, but the other not perceiving the Soldier, one of them had a fair Shot at him, and imagined he shot him thro' the Body; upon which they went to their Officer, and told him what had happened, who sent a Party to the Place, where they found a great deal of Blood, and a Bit of Fat, supposed to come out with the Ball.

Prince-George's County, June 1764.

WHEREAS it has been most spitefully Reported, that I bribed a certain *John Pearson* to ride *Booty*, in the Race Run between *Deer* and *Driver*, the Tenth of *April* last, without any other Foundation than bare Surmise, to the very great Prejudice of my Character: And as such injurious Aspersions may tend to destroy my Reputation, I take this Public Method, well knowing my Innocence, to assert the said Report to be scandalously false, and that if any Person or Persons can make it appear, that I really was guilty of bribing the said *Pearson*, I will oblige myself to have the Money lost upon *Dr. Hamilton's Horse*, Return'd to those that lost it; and if it can not be made appear, I hope every one will look upon me to be innocent of so scandalous a Charge, and to think the Scandal ought to Recoil on the Head of Heads of the Author or Authors of so scandalous a Report, against their injured humble Servant,

HOWARD DUVALL.
